"Charmaine delivered an excellent presentation on communication. She had a good pace, depth and used concrete examples. The advice and actions Charmaine gave were practical and realistic to implement after the workshop. It's clear that Charmaine practices what she preaches. She is an excellent and engaging presenter. Everyone in the session left thinking about the areas they can work on to improve their communication skills going forward."

Kerri McKenna, Rakuten Kobo Inc

"Charmaine presented at a lunch and learn to our staff. Charmaine's delivery is down to earth, warm, fun and professional!"

Reena Ruparelia,
Ontario Real Estate Association

"Charmaine, what a fantastic presentation you gave at Career "Zoom In" I love how you modelled exactly what you were teaching us! Participants left with several practical ideas on how to present themselves with confidence in an interview and for that matter in life! Your delivery was at just the right pace and was flawless! Thanks so much for such an informative and useful presentation!"

Wayne Greenway, Career Aviators
